

# PRODUCT CATALOGUE May 2019

SONTSA is a modern and dynamically developing enterprise that produces laundry detergents, household cleaning products and personal care products.

The factory has the best in class manufacturing equipment and is one of the leaders in production capacities in Eastern Europe and the CIS. Strict quality control at all production stages and own well-equipped laboratory ensure highest standards of product performance that will satisfy the most demanding consumers.

The enterprise produces a wide variety of products under the trademarks April Evolution, Mara Standard of cleanliness, Chaika, Sunday, SUPRIM, Voskhod, Krasa and private labels. Within the first year of its work the company became the market leader in the category of laundry detergents in Belarus and still holds the leading position.

The company has a wide network of supply to CIS and EU markets and is actively expanding its export.

The innovative approach to technologies and constant research and development provide the company with strong competitive position and helps expanding the business by offering consumers a wide range of top requested products.
