

**Your reliable
Private Label partner**

March 2021

SONTSA

SONTSA is a dynamically developing enterprise that produces laundry detergents, dishwashing, household cleaning and personal care products.

SONTSA is keen to develop private label manufacturing for large retail clients. It can offer turn key solutions to retailers:

- **The BRC Global Standard for Consumers Products** is the international certificate. It guarantees clients that “Sontsa” cooperates with the best raw material suppliers, constantly monitors and improves the quality of products and their safety level for a consumer and the environment.
- **Technological proficiency.** SONTSA is a newly built state-of-the-art plant in Belarus with one of the highest output capacities in Eastern Europe.
- **Quality.** In-house laboratory and thorough quality control at all production stages.
- **Beneficial geographical location.** Positive influence on logistics.
- **Flexibility in packaging.** We can propose a wide range of packaging types and sizes: carton packaging (0,35 – 0,75 kg); plastic bags (0,2 – 15,0 kg); PET bottles (0,265 – 5,0 liters).
- **Flexibility in quality and price point.** SONTSA is ready to develop dedicated recipes for clients and competitive pricing for any quality segment. A team of experienced technologists can develop product recipes, meeting specific customer demands and complying with country-specific regulations.
- **In-house R&D.**
- **Qualified in-house Design team.**
- **Timely order fulfillment.** Established business process, working with reliable international suppliers and professional supply chain team.
- **EU subsidiary.** SONTSA has subsidiary company in Poland as contractual and commercial partner for retail chains.
