BEYOND CLEANLINESS

## Quality

The plant has the highest level of technical support and is one of the leaders in production capacity among enterprises in Eastern Europe and the CIS. Strict control at all stages production and our own accredited laboratory allow us to ensure high quality products that will satisfy the most demanding consumers

## Expertise

SONTSA plant is the holder of international quality and safety certificate from British Retail Consortium (BRC) and a certificate of compliance with the international requirements of STB ISO. Our chemists-developers, technologists and microbiologists constantly monitor new world trends and develop and update the range of products

## Leadership

Just a year after the sales start, the company became the market leader in the category of laundry detergents (Mara No. 1 brand in Belarus) and today continues to occupy leading positions. We supply our products to dozens of countries and are actively increasing the export of products
