

SONTSA
BEYOND CLEANLINESS

July 2024

SONTSA has a positive experience in producing its own brands for large retail clients and can offer interesting turnkey solutions. The main advantages of SONTSA in the production of private label products:

- **High technological level of production.** SONTSA is a modern factory in Belarus, which is one of the leaders in terms of production capacity in Eastern Europe.
- **Favorable geographical location,** which positively affects logistics.
- **Flexible solutions in terms of price and quality.** SONTSA can offer high quality products in all price segments (economy, medium, premium). A team of experienced technologists can create customized formulations according to customer requirements.
- **Product Quality.** At all stages of production, the quality of products is monitored by our own laboratory and quality control service.
- **Flexibility of packaging options.** Availability of modern equipment with a wide range of packaging options of different types and sizes: cardboard packaging 0.35-0.75 kg, plastic bags 0.2-15 kg, kraft bags 1-1.5 kg, doy-packs with zip-lock 0.8-1 kg, PET bottles 0.265-1L, HDPE canisters 1-5L.
- **Own R&D center.**
- **Availability of a team of qualified designers.**
- **Timely order fulfillment thanks to organized business processes,** work with reliable suppliers and professional supply chain management team.

Carton packaging

Specification:

Cardboard density, g/cm² – 420-450
Cardboard stiffness, mNm – 590-610
Whiteness, % – 80-82
Number of colors when printing – 1-8

Dry products:

- Powder detergents
- Powder bleaches / stain removers
- Anti-calc powders
- Powder detergents for dishwashing machines
- Cleaning powders
- Bleach-cleaning powders

Cardboard box

Specification:

Material – Corrugated cardboard
Number of colors when printing – 1-3

Dry products:

- Powder detergents
- Powder bleaches / stain removers
- Anti-calc powders
- Powder detergents for dishwashing machines
- Cleaning powders
- Bleach-cleaning powders

Plastic bag

Specification:

Production material – Polyethylene / Polyolefin
 Number of layers – 2
 Thickness, micron – 90-160
 Number of colors when printing – 1-8

Dry products:

- Powder detergents
- Powder bleaches / stain removers
- Anti-calc powders
- Powder detergents for dishwashing machines
- Cleaning powders
- Bleach-cleaning powders

Kraft paper bag

Specification:

Production material – Kraft paper
 Number of layers – 2
 Number of colors when printing – 1-8

Dry products:

- Powder detergents
- Powder bleaches / stain removers
- Anti-calc powders
- Powder detergents for dishwashing machines
- Cleaning powders
- Dishwasher salt
- Bleach-cleaning powders

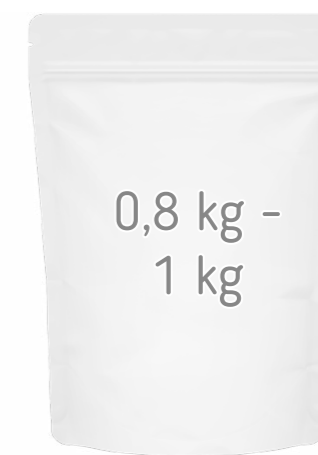

Doypacks

Specification:

Size - 160*230+(90 bottom)
 ZIP-Lock
 Multilayer
 3-layer, high-barrier
 Number of colors when printing – 1-8

Dry products:

- Powder detergents;
- Powder bleaches / stain removers;
- Anti-calc powders;
- Powder detergents for dishwashing machines;
- Cleaning powders;
- Bleach-cleaning powders

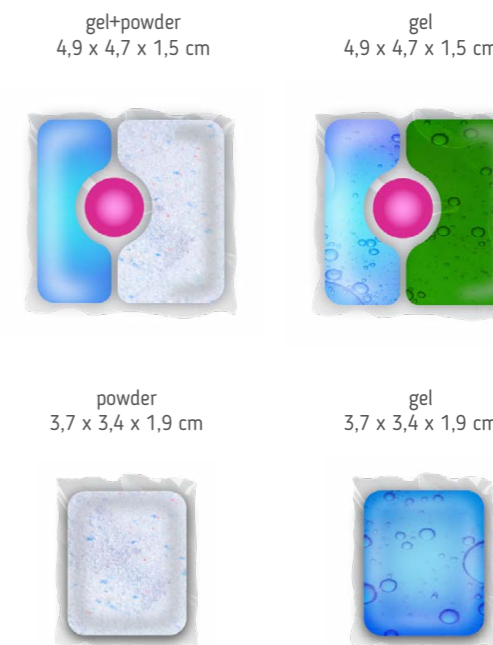

Capsules (multi- and mono-section capsules)

in progress

Unique ability to mix powder and liquid fractions for the widest range of applications and uses:

- Laundry
- Automatic dishwashing
- Cleaning

HDPE Bottles

Specification:

Self-adhesive label
Number of colors when printing – 1-8

Liquid products:

- Washing gels
- Fabric softeners
- Stain removers
- Anti-calc gels
- Detergents for hand dishwashing
- Dishwasher products
- Ironing water
- Whiteness gel
- Products for plumbing
- WC-gel
- Pipe cleaner
- Kitchen degreaser
- Shampoos
- Hair conditioners
- Shower gels
- Liquid soap

Dry products:

- Anti-calc powders
- Powder detergents for dishwashing machines
- Cleaning powders
- Dishwasher salt
- Bleach-cleaning powders

HDPE Bottles

Specification:

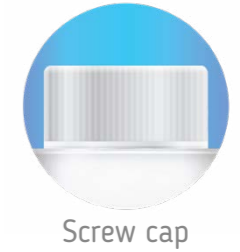

Self-adhesive label
Number of colors when printing – 1-8

Liquid products:

- Washing gels
- Fabric softeners
- Stain removers
- Anti-calc gels
- Detergents for hand dishwashing
- Dishwasher products
- Ironing water
- Whiteness gel
- Products for plumbing
- WC-gel
- Pipe cleaner
- Kitchen degreaser
- Shampoos
- Hair conditioners
- Shower gels
- Liquid soap

Dry products:

- Anti-calc powders
- Powder detergents for dishwashing machines
- Cleaning powders
- Dishwasher salt
- Bleach-cleaning powders

PET Bottle

Specification:

Self-adhesive label
Number of colors when printing – 1-8

Liquid products:

- Washing gels
- Fabric softeners
- Stain removers
- Anti-calc gels
- Detergents for hand dishwashing
- Dishwasher products
- Ironing water
- Whiteness gel
- Universal cleaning products (for floors, liquid laundry soap)
- Shampoos
- Hair conditioners
- Shower gels
- Liquid soap

Dry products:

- Anti-calc powders
- Powder detergents for dishwashing machines
- Cleaning powders
- Dishwasher salt
- Bleach-cleaning powders

Screw cap

5 l

PET Bottles

Specification:

Number of colors when printing – 1-8
Self-adhesive label (printing on an adhesive layer is possible)
